

HOLIDAY SAFETY

Follow a few simple tips to ensure a happy and fire-safe holiday season.

Holiday Decorating

- Be careful with holiday decorations. Choose decorations that are flame resistant or flame retardant.
- Keep lit candles away from decorations and other things that can burn.
- Some lights are only for indoor or outdoor use, but not both.
- Replace any string of lights with worn or broken cords or loose bulb connections. Read manufacturer's instructions for number of light strands to connect.
- Use clips, not nails, to hang lights so the cords do not get damaged.
- Keep decorations away from windows and doors.

Holiday Entertaining

- Test your smoke alarms and tell guests about your home fire escape plan.
- Keep children and pets away from lit candles.
- Keep matches and lighters up high in a locked cabinet.
- Stay in the kitchen when cooking on the stovetop.
- Ask smokers to smoke outside. Remind smokers to keep their smoking materials with them so young children do not touch them.
- Provide large, deep ashtrays for smokers. Wet cigarette butts with water before discarding.

Safety Tips

- Blow out lit candles when you leave the room or go to bed.
- Turn off all light strings and decorations before leaving home or going to bed.
- More than one third of home decoration fires are started by candles.
- More than two of every five decoration fires happen because decorations are placed too close to a heat source.
