Note: O.C.G.A. § 50-18-72 (21), provides "Records concerning public employees that reveal the public employee's home address, home telephone
number, day and month of birth, social security number, insurance or medical information, mother's birth name, credit card information, debit card

employee of: (A) The State of Georgia or its agencies, departments, or commissions; (B) Any county or municipality or its agencies, departments, or
commissions; (C) Other political subdivisions of this state; (D) Teachers in public and charter schools and nonpublic schools; or (E) Early care and

not open for public inspection or copying. These exceptions must be read narrowly and the requirements of openness otherwise read broadly. This
form is intended to document your request to prevent the Gwinnett County Board of Assessors' ONLY from making certain property records'
information public when same is not required by law. This does not prevent certain property records from appearing on other websites.
